JAIPUR

We’re so happy you’re coming to Jaipur to celebrate this special milestone with us. On this website, you’ll find a little about Jaipur, our hotel, and a few nearby places you might like to explore if you’re arriving early or staying on.

More than anything, we’re simply looking forward to being together — family, dear friends, and our YPO community — in a place that means so much to us.

With Love ~
Gulu & Veena
